WWII Project Instructions

For this project, you will be creating an argument that answers one of the following questions: “Could the Holocaust have been prevented? If so, how?” or “Why did people become Nazis, Fascists, and Communists?”. To answer this question, you will either write a 3-5 paragraph essay or create a poster that symbolically shows your answer. IF YOU CHOOSE TO CREATE A POSTER, ALL ELEMENTS OF AN ARGUMENTATIVE ESSAY AS DESCRIBED BY THE RUBRIC MUST STILL BE PRESENT. To design the poster properly, see the graphic organizer.
